# GÉANT CLOUD SERVICES

## Connecting Research and Education to the Cloud

### A DIGITAL SINGLE MARKET FOR CLOUD SERVICES
#### THE BENEFITS OF THE GÉANT FRAMEWORK AGREEMENTS

Now institutions can pick and choose the services and providers they prefer and manage their cloud services easily and securely

**ACCESSIBLE**
No more complex, time-consuming and expensive tender processes

**COMPLIANT**
The framework providers are fully compliant with EU privacy and data security regulations

**COST EFFECTIVE**
By aggregating demand all National Research & Education Networks (NRENs) and institutions benefit from the same volume discounts

**REDUCED NETWORK TRAFFIC COSTS**
Cloud services are connected via the NREN and GÉANT networks – improving access and reducing costs

**SINGLE SIGN-ON**
Using eduGAIN federated identities makes services secure and easy to use

**10,000** Institutions

**20** Cloud computing providers

**36** NRENs
